25 Years of Expertise in Home Textiles

As **Volume Tekstil Halı**, we are proud to be an innovative and reliable brand that has been shaping the home textile industry for over 25 years. Our journey, which began in 1999, now continues under the icsanat.com brand, where we bring art and comfort to our customers with a wide range of products including digital print carpets, bath mats, blankets, and bedspreads. At our state-of-the-art factory, we produce each item with meticulous attention and great care.

We possess one of the highest production capacities in the industry with our modern manufacturing facilities. With a monthly production capacity of 200,000 m² of digital print carpets and 100,000 m² of cotton bath mats, we have the strength to meet large-scale demands both domestically and internationally. This production capability sets us apart from our competitors, not only in terms of quantity but also quality.

1999	2005	2010	2018	2025
Establishment	*Branding*	*Growth*	*Globalization*	*Leadership*
We began our journey on a solid foundation.	A period of creating brands and expanding our product range.	Digital printing rapidly increased our production capacity.	We expanded globally by partnering with industry giants.	We are solidifying our leadership by focusing on the future.

Our mission is to offer home textile products that blend functionality and aesthetics, transforming living spaces. While producing items that exceed our customers' expectations, our top priority is to adopt manufacturing processes that are respectful of both the environment and people. We believe every home has a unique story, and we aim to touch these stories with our designs. Whether you're seeking a modern touch or a classic elegance, we offer unique solutions for every taste through our brands: Hülya Home, Df Home, Toronto Home, Uzza Home, and Evimle.

25 YEARS OF EXPERIENCE DEDICATED TO HOME TEXTILES

Our products are proudly made in Turkey, guaranteeing exceptional quality and reliability you can count on.

The state-of-the-art digital printing machines used in our factory transfer even the finest design details onto carpets with vibrant colors, resulting in durable and long-lasting products. Each of our products undergoes meticulous quality control processes before leaving the production line, guaranteeing you a premium experience of the highest standards.

Our digital print carpet collection, with its photo-realistic patterns and unlimited color options, is an inspiration for those seeking originality in home decor. While our modern, classic, ethnic, and minimalist designs adapt to every corner of the home, our stylish and highly-absorbent cotton bath mats will become an essential element of your bathroom.

COTTON BATH MATS

High Water Absorbency
Thanks to the natural structure of cotton fibers, they quickly absorb water and keep the bathroom floor dry.

Quick Drying
The breathable woven structure allows the mat to release moisture easily, ensuring it remains hygienic.

Natural Comfort
Soft and natural cotton fibers provide a comfortable and warm touch for your feet.

Durability
Produced with high-quality weaving techniques, they show high resistance to frequent use and regular washing.

Tufting Bath Mats

It is produced with a special machine that processes cotton threads into loops on a woven backing. This method creates a soft, high-pile, and embossed texture on the carpet's surface. Thanks to its highly absorbent cotton weave, it quickly dries the bathroom floor and provides a comfortable feel for the feet.

Macaroni Bath Mat

Named after the thick, macaroni-like cotton threads on its surface, this special weaving technique increases the mat's water absorption capacity while creating a soft surface that feels like a foot massage. Being made entirely of woven cotton, it adds a warm and natural atmosphere to your bathroom.

Jacquard Bath Mat

The Jacquard bath mat is produced by weaving intricate patterns directly into the cotton fabric during production. This special weaving technique creates embossed and multi-dimensional designs. Jacquard mats combine high absorbency with elegant designs to create a luxurious and sophisticated atmosphere in your bathroom.

Woven cotton bath mats offer a natural and functional solution for bathroom floors. Thanks to special weaving techniques applied to cotton yarns, they have a high water absorption capacity.

Welsoft

BATH MATS

Made from Welsoft fabric, the bath mat offers a fast and safe solution for bathroom spaces. Its highly absorbent, dense fiber structure ensures rapid drying of the floor, while its superior quick-drying properties also promote hygiene. The dotted base on the bottom of the mat ensures it stays in place even on wet surfaces, maximizing user safety. Its high durability, easy-to-clean design, and soft texture make this mat a comfortable and long-lasting option that meets institutional standards.

Hypoallergenic

Our rugs are non-shedding and dust-resistant. You can enjoy the comfort of our products without worrying about allergic reactions.

Washable

Thanks to their thin and soft structure, you can easily clean all kinds of dirt and stains. For tough stains, they are machine washable.

Backing Options

We offer custom production based on your preferred backing: Dot Backing, Leather Backing or Woven Backing.

Pet-Friendly

Our products are non-shedding, making them perfectly suitable for use with your pets and robot vacuum cleaners.
